Operator Selection Packet

Thank you for your interest in a position within our organization. When applying for this special duty assignment, you need to:

1. Inform your chain of command.
2. Fill out this application in its entirety, gather all required documentation and return as soon as possible.
3. E-mail the application back using the process located below, please E-mail us to confirm receipt.

Remarks:

1. It is imperative that you keep your unit leadership informed of your Selection plans from this point forward.
2. Your availability to attend the TDY portion must be approved through your leadership **prior** to your submission of this application.
3. **If you have orders to another unit, do not fill out this application.** You need to get with your unit leadership to coordinate with your CFM before we can bring you to selection.
4. Once the Phase I board convenes and makes its final cuts, those chosen to continue on to the TDY portion will receive an invitation and reporting instructions via e-mail.
5. We will pay for your travel to and from the assessment location. We will provide you with orders or a fund cite for DTS and you will file your travel voucher using DTS.
